

Now there is an HB&G column to match any style, inside or out, with the new PermaWrap™ Column Collection.

The PermaWrap™ column was designed to maintain the appearance of the elegant high end columns while remaining competitively priced.

Leading the industry in column innovation, HB&G PermaWrap™ columns are made from cellular PVC and offer advantages of being unaffected by moisture and insects, but

with the thickness, ease of use and workability of wood.

PermaWrap™ Columns are available in all sizes and styles — square or craftsman — plain, fluted, raised panel, and recessed panel. With all of these options, you are certain to find just the right amount of detail for your specific project.

Best of all, the PermaWrap™ column comes with a 10-year HB&G warranty.

**Made from polyurethane and may need to be split in the field for installation.*

Capitals and Bases

Standard, Ogee & Traditional caps and bases are made from the same material as the PermaWrap™. The Crown cap, Tuscan cap and base, Attic base, and Ornamental capitals are made from polyurethane and are available in all widths. Standard caps and bases come with Plain Flat Stock, Plain “L” Square and Plain Assembled columns. Ogee caps and bases come with all other “L” square columns. Traditional caps and bases come with all Craftsman columns. Other caps and bases can be added to create your custom design.

Three Types of PermaWrap™ Columns

Flat Stock

Whether you are a builder, remodeler or a do-it-yourselfer, the plain flat stock PermaWrap™ column can be installed in a matter of minutes. The Original Column comes in 3/8’ flat board stock and includes a complete assembly kit. (12’ lengths use 5/8’ board stock)

Assembled

Made from the same material as the flat stock PermaWrap™ Column. This fully assembled column is ready to install and paint. It includes the column shaft, Standard capital and base, neck mold and a 4”x4” Pressure Treated Post.

L-Assembly

PermaWrap™ “L”-Assembly Columns are manufactured with 5/8” cellular PVC* and come in two “L” shaped halves that are ready to wrap around an existing structural post. The L-Assembly Columns are available in plain square, fluted square, raised panel, recessed panel, plain craftsman, raised panel craftsman, recessed panel craftsman. Square columns come standard with 5/8” Ogee capital and base. Craftsman columns come standard with the Traditional style capital and base.

**Assembled columns do not include an installation kit.*
