# KP NORTHERN STAR™ Vinyl Siding

## This siding is engineered for long-lasting performance.

Whether you're re-siding your home or designing a new one, you'll appreciate the wide range of products available with Northern Star™ Vinyl. Choose from clapboard, dutchlap, or beaded styles in an exciting palette of colors, including Rustics, to let your individual style show through.

- Double thick Cyclone System™ nail hem provides extra rigidity and wind load resistance up to 171 mph.
- Ultra-Vinyl™ UV Technology premium vinyl compounds and UV inhibitors are used to help combat the harsh rays of the sun. This ensures long-term weatherability and color retention.
- Insta-Lock™ system is designed to provide for sound installation, precise horizontal alignment, and weather-tight protection from the elements.
- .044" thickness ensures outstanding impact resistance.
- We've given this siding the traditional look of clapboard siding with a distinctive 1/2" shadow line.

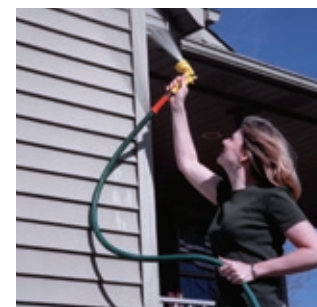

## Hardworking. Reliable. Just like you.
